MENDY MICHAELI

FULL-STACK WEB DEVELOPER | *GITHUB.COM/MENDYMICHAELI*

SUMMERY

Looking for my next challenge in Hi-tech after career retraining from finance with ambition to learn, grow and succeed wherever it will be.
Recent Full stack development course graduate with a passion for developing scalable web applications and working across the full stack. I've built two web apps from the ground-up using React/Angular, NodeJS, and MySQL.

SKILLS

Notice the little details in my responsibility area, passion and ability to learn new things, self/team working ability, high interpersonal skills.

EXPERIENCE

BANKER • ISRAEL DISCOUNT BANK • 2018-PRESENT
Customers service in banking especially in credit section including qualification new employees and implement new processes and systems.

EDUCATION
